

SAGAR FOREST DIVISION.

Abstract Notification dated 28th February 1922.

The attention of the public is invited to the detailed Notification of timber sales to be held in several Depots of the Sagar Forest Division during April 1922, published in Part VI, pages 105 and 106 of the *Mysore Gazette* dated 16th March 1922.

Notification dated 21st March 1922.

It is hereby notified for general information that the auction sale of timber in the Sagar Depot will be held on the 17th April 1922 instead of on the 16th as advertised in this Office Notification dated 16th March 1922 published on pages 105 and 106, Part VI of the *Mysore Gazette*, dated 16th March 1922.

P. KRIENASWAMI RAO,
District Forest Officer.

ENGINEERING DEPARTMENT.

BANGALORE DIVISION.

Notification dated 10th March 1922.

Notice is hereby given that sealed tenders will be received at the office of the Executive Engineer, Bangalore Division, up to 15th April 1922, for constructing a quarter for the Commandant, Imperial Service Transport Troops at Bangalore. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of December 1922.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Bangalore between the hours of 11 A.M. to 5 P.M.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of rupees one hundred in cash or Government Promissory Notes, as earnest money, and be superscribed, "Tender for Constructing Quarters for Commandant, Imperial Service Transport Corps, Bangalore in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond in default of which his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the notice board in the Executive Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.
